*Some of the old Christmas customs are forgotten, and some are now regarded as silly superstition. But some of the legends and lore of Christmas are linked up with much that is beautiful and sacred.*

## THE OXEN.

By THOMAS HARDY.

Christmas Eve, and twelve of the clock,  
 "Now they are all on their knees,"  
 An elder said, as we sat in a flock  
 By the embers in hearthside ease.

We pictured the meek, mild creatures where  
 They dwelt in their strawy pen,  
 Nor did it occur to one of us there  
 To doubt they were kneeling then.

So fair a fancy few would weave  
 In these years; yet, I feel,  
 If someone said on Christmas Eve,  
 "Come; see the oxen kneel."

"In the lonely barton by yonder coomb  
 Our childhood used to know,"  
 I should go with him in the gloom,  
 Hoping it might be so.

This delightful poem refers to the old belief that the oxen bowed in reverence to the Christ Child on Christmas Eve at twelve of the clock.

It is taken from "The collected Poems of Thomas Hardy."

## INSPECTOR KELEGHAN'S REPORT.

LADIES AND GENTLEMEN,—

I beg to submit my report, as under, for the period 3rd February to 31st December, 1936, during which as an Inspector of the Society, I did duty in Caernarvonshire.

### *General Remarks.*

I attended as regularly as possible all Horse, Cattle and Poultry Markets, also Railway Cattle Sidings during the loading and unloading of animals.

The following have also been attended: (a) Horse Races; (b) Agricultural and other Shows.

### *Riding Schools.*

Frequent visits have been paid to Riding Schools and every effort made to restrain holiday visitors from urging horses to gallop on hard and unsuitable surfaces.

### *Horses and Ponies on Sands.*

The horses and ponies let out for hire on the seashore at various places in my district have been examined from time to time, and care has been taken that the animals have been fed and watered.

### *Transit of Animals by Road.*

Every effort has been made to enforce the provisions of the Transit of Animals (Amendment) Order of 1931. Any contravention of the Order seen by me has been brought to the notice of the Police.

### *Humane Slaughtering.*

There are still some Local Authorities in my District which have refrained from passing a resolution to include sheep in Section 1 of the Slaughter of Animals Act, 1933. This means that all sheep and lambs in the areas under their control may still be slaughtered by the old method instead of being rendered unconscious by a mechanical instrument before being slaughtered, as provided in the Act. The Authorities concerned have been approached by me personally and by letter from Headquarters.

### *Hobbling of Sheep.*

The practice of hobbling sheep is prevalent in Caernarvonshire, and observation has been kept on such animals to ensure that they receive proper care and attention when so hobbled.

### *Oil Pollution of Sea.*

I regret that I have again to report considerable loss of life and suffering among sea birds as a consequence of oil pollution of the sea. Some of the birds washed in by the tide were still alive when I saw them, but their feathers were so badly contaminated with oil that treatment would have been unavailing, and these were painlessly destroyed.

### *Painless Destruction of Animals.*

I have painlessly destroyed all unwanted and injured animals brought to me.

There are now lethal chambers at the following places for the destruction of small animals :—

*Criccieth* : Mr. E. David Hughes, Chemist, High Street.

*Penmaenmawr* : Miss Morrish, Plas Coch.

*Portmadoc* : Mrs. Roper Morgan, Telephone Exchange.

### *Convictions, Cautions, etc.*

The following is a summary of the convictions, cautions, etc :—

|                             |     |     |     |     |     |    |

### *Complaints.*

All complaints have been carefully investigated and reported to Headquarters.

In conclusion I beg to tender my sincere thanks to all ladies and gentlemen who have given assistance and information regarding cases of cruelty to animals, also to the Police of all ranks for their assistance.

Yours faithfully,

GEO. H. KELEGHAN.

The practice of hobbling sheep and goats is still very prevalent in Anglesey, and five persons have been successfully prosecuted for failing to give such animals proper care and attention when so hobbled.

### *Importation of Animals from Irish Free State.*

I have constantly visited the Lairages and Cattle Boats at Holyhead, and kept observation on the unloading of animals from the boats, and there entrainment at the Cattle Sidings.

## REPORT OF HON. SECRETARY AND TREASURER.

---

MR. PRESIDENT, LADIES AND GENTLEMEN,—

I have pleasure in presenting my report for the past year. The financial results are satisfactory, showing an increase in the subscriptions from a few districts, notably Bangor, due to the energy of the newly appointed Hon. Secretary, Miss Knight Cross. On the other hand, no collections were made at Nevin, Trearddur Bay, Aberdaron, Criccieth, Llanberis, Llanerchymedd, Llanfair P.G., Llanddeusant and Rhosgoch.

The Flag Day at Bangor was most successful. I wish this year again to specially mention, Mrs. Keleghan, who was responsible for quite three parts of the total amount collected. She entertained for this occasion her four young lady assistants from Oswestry, and in other ways Mrs. Keleghan financially is a great help to our Branch.

I again urge Hon. Secretaries to form Junior Leagues in their districts, humane education amongst children being most important. I also ask them to kindly complete their collections in the first month of the year. As the financial year of the Society ends in February, this would greatly assist us, and enable us to arrange for the Annual Meeting to be held earlier than has been usual, and so avoid one year running into another.

Essay competitions have been held at the schools, and books awarded as prizes. Merit badges were given for the best conditioned horses at the Bangor Rose Queen Festival and the Menai Bridge Carnival. Framed certificates and gratuities from Headquarters have been awarded, also books given for the rescue of animals at Abersoch and Bethesda.

"Animal Sunday" was observed at several places. New Secretaries will be required for Nevin, Llanfair P.G., Brynsiencyn, Llandaniel, Llanfaethlu, Portdinorwic, and Llangefni.

Inspector Keleghan in Caernarvonshire and Inspector Gibbons in Anglesey are doing good work. They are both most excellent officers and most helpful to me in the working of the Branch, and always ready to do any little extra service.

The thanks of the Committee are greatly due to Mr. W. J. Edwards, Bethesda, for kindly auditing the accounts and typing the Balance Sheet.

Finally, I wish to thank our Chairman, Councillor Mrs. Chamberlain, the Auxiliary Secretaries and Collectors for their valuable help, and the members of the Press for their readiness at all times to further the Society's work.

ANNA E. LLOYD.

Bodlondob, Bethesda.

Income Tax Rebate is recoverable for the year 1936, but which has not been received in time to include in the cash statement account which is submitted. Credit for the amount will be given in the account for the current year 1937.—Anna E. Lloyd.

## REPORT OF ANNUAL MEETING.

---

The Annual Meeting was held at St. James' Church Room on July 9th, 1937, at 3 p.m. Councillor W. O. Williams (Deputy Mayor), Tandderwen, presided in the absence of the Right Worshipful the Mavor of Bangor.

In his address, Mr Williams said he was pleased to be associated with a Society doing such good work, and he wished to congratulate the Branch workers on the year's successes. The minutes of the last Annual Meeting were read and adopted.

The Inspectors' Reports were afterwards adopted.

The Reports of Hon. Treasurer and Secretary showed a substantial increase financially, and also in the work of the Branch. These reports were then read and adopted. The General Committee was re-elected, as also was the Executive Committee, with the addition of Miss Megan Evans, Bethesda. Mr. Diggon, Assistant Secretary from Headquarters, then gave a most interesting address, touching upon the problem of the stray dog, the trapping of wild birds, the exportation of horses abroad, the suffering caused to sea birds by oil pollution, the granting of free dog licences, and the great benefit received by the animals of the poor, where free treatment could be given by the Branch, financially able to do so. He also referred to the numbers of stray cats, which amounted to some thousands in the large towns. Whenever possible these were painlessly destroyed. Captain Durham, Regional Organizer, also

addressed the meeting. He maintained how necessary it was to encourage the humane treatment of animals by children; this could be done by having "Pet" Shows and Films shown, and also forming Junior Leagues of the R.S.P.C.A. in different districts.

Presentations were then made of framed Certificates and gratuities for the rescue of animals to the following persons:—Mr. Morris Williams, 7, Cae'rbellan, Bethesda, for the rescue of sheep from drowning; Mr. Edward Davies, 3, Penygraig, Bethesda, for rescuing a dog from drowning; Mr. G. Roberts, Middle Street, Bethesda, for rescuing a dog also from drowning; Mr G. Roberts, Braich Ty Du Farm, Bethesda, for the rescue of a ram from a ledge of rock. A token of appreciation was also given to Mr. J. Thomas, Ogwen Street, Bethesda, for the rescue of a dog from drowning. In addition to these names it was mentioned that a book and token of appreciation had been sent by Headquarters to Master Charles Williams, King's Arms Hotel (aged 14 years), for the rescue of a cat from drowning in the River Ogwen.

A vote of thanks was then accorded the Chairman, Mr. Diggon, Captain Durham, the officials, Auxiliary Secretaries, Collectors, and the Hon. Auditor, Mr. W. J. Edwards, Bethesda. Tea was afterwards served.

WINIFRED LLOYD WILLIAMS,

FOR ANNA E. LLOYD.
